

It must be understood that when dealing with dress code every student's unique size and shape is a factor in determining the appropriateness of the attire. For example, a shirt worn by one girl may not be appropriate on another or a pair of shorts may meet the length requirement for boy but not another. Please understand that the enforcement of student dress code is not for the purpose of hurting or controlling our students. It is for the purpose of eliminating potential issues that could affect the learning environment of our school. This includes bullying and inappropriate comments.

Recommendations: Students should wear shorts underneath dresses so that their underwear is not seen as they walk up stairs.

Excessive Cleavage can be anything over three inches exposed when a student takes their chin to the neck.

**When in doubt as to whether an outfit is school appropriate, use the following as your guide:
No belly, no back, no cleavage, and no crack!**

Consequences for Dress Code Violations:

Students who violate the dress code will be provided a change of clothing from the office (if available) and parents will be notified. Any items worn that do not meet dress code will be immediately confiscated from students and returned to the student at the end of the day if it is a first offense. Upon second confiscation, item(s) will be held until the last day of school and returned to the student upon request.

The student violating the dress code will be required to change clothes and students who do not change clothing will be placed in ACP. Students who violate the dress code will be assigned one (1) break detention for each violation; after three violations the student will be placed in ACP for one (1) day, further violations will result in three (3) days ACP assignment and a mandatory parent conference. If a student refuses to change, they will be subject to additional disciplinary action. Determination of appropriate dress/attire will be left up to the administration.
