**Council Policy Type (Check One):**

By-Laws (Council Operations Policies)

Function (School Operational Policies)

**Policy Number:**

12.02

**Policy Statement:**

Bath County High School has numerous technologies available for use throughout the school. Computers, laptops, SMART Boards, Classroom Performance Systems (clickers or responders), Airliners, graphing calculators, and numerous softwares are readily available for teacher and student use. The school shall frequently utilize technology to enhance student learning and help students meet state standards for student use of technology (State Student Technology Standards). The technology shall be used in a manner that is consistent with local school board policies, state regulations, and state law.

The regular use of technology will be monitored by the administration and department chairpersons/content coaches. Regular technology training will be provided to all teachers through job embedded professional development. Needs assessment surveys and summative evaluation data shall be used to evaluate the effectiveness and regularity of technology use in our school.
