## Student Parking Agreement Contract

I understand that driving to school and parking on school property is a privilege and thus it can be revoked by the school. I also understand that there are rules that must be followed in order to keep my parking permit privileges. Failure to follow these rules shall result in fines or the loss of parking privileges. I understand that in order to drive to school I must obey the following rules:

1. I will immediately enter the building when I arrive at school. If I loiter in the parking lot, I will lose my parking privileges for one grading quarter for each occurrence (no warning is required).
2. I will not go to my car or anyone else's during the school day for any reason unless given permission by the principal or assistant principal. If I am caught in the parking lot or in my car during the school day, I will lose my parking privileges for one grading quarter.
3. I will obey all speed limits posted around the school and drive in a safe manner. If I drive recklessly, speed, gun my engine in a loud or annoying manner, or play my music loud; I will lose my parking privileges for a minimum of one grading quarter.
4. I will park ONLY in the designated student parking areas. If I park in the designated staff lot, I know that I will be subject to towing at my expense without warning and I will also lose any parking privileges I have for one grading quarter.
5. I will display the assigned parking permit tag on the rearview mirror of my vehicle at all times. I know that if I fail to display the tag my vehicle will be towed at my expense.
6. I know that if I park out of my assigned parking space I will lose my parking permit for one grading quarter on the first offense and if a second offense should occur I will lose my parking privilege for a semester.
7. I am aware that any vehicle entering the parking area of Bath County High School is subject to search by school authorities and law enforcement personnel working with them. I am aware that such a search may be conducted for any reasonable purpose without a warrant being obtained. Search of the vehicle includes all compartments and components thereof. I also know that once a search begins, the person in control of the vehicle will not be permitted to remove it from the premises during the reasonable duration of the search.
8. I understand that I am not allowed to drive to the Vocational School or to Owingsville Elementary School for CSL courses. If my car is to be worked on at the Vocational School, I know that it may only be driven there if I receive prior written permission from the school principal or assistant principal.
9. If I leave the school grounds without permission in an automobile or use my car to go out for lunch or allow others to get in my car and leave without school permission while driving my car, I will lose my parking privileges for one semester. If I leave school or enter school driving the wrong way, I will lose my driving privileges for one grading quarter.

**\* If I drive a different vehicle other than the two registered in the office, I will notify the office upon arrival to school to prevent towing. If I fail to do so, I know my vehicle will be towed at my expense.**
