

Summer 2019...coming to a neighborhood near you!

COOL SCHOOL MACHINE

Proudly brought to you
by Bath County Schools

Bath County's groovy mobile learning lab, packed with activities geared for elementary and middle school students. The emphasis will be on fabulously fun Math, Science and Technology activities with Exercise and Fitness equipment to boot! Best of all, this far-out machine will be coming to a neighborhood near you June 10 thru July 18! In addition, the Summer Feeding program will be coordinating along with the crew....so children can eat too! Parents may bring their children to the most convenient location(s). Activities will be for 1 ½ hours at each site.
