Policy Statement
Program Appraisal Needs Assessment Our yearly School Improvement Planning Process will include: <ul style="list-style-type: none">• An analysis of our state testing data and other school data as necessary to discover the extent to which our students are meeting state standards and our programs are aligned with state standards.• Systematic work to discover and correct the causes of and barriers to high performance by all students and the movement of students toward our goals.• A revision of our School Improvement Plan based on our needs assessment data for that year. Our Plan will set goals and address any indicated alignment issues to help move our students to state standards according to the timetable established by the Kentucky Board of Education. <p>We will implement this process to address the effectiveness of all our programs and the resulting Plan will be monitored by the council through ongoing implementation and impact checks.</p> Policy Evaluation We will evaluate the effectiveness of this policy through our School Improvement Planning Process.
